**Media Bio:**

Sondra Kronberg, MS, RD, CEDRD is a nutrition therapist with 30 years of experience and recognized leader in the field of eating disorders. Founder and Nutritional Director of Eating Disorder Treatment Collaborative and FEED IOP in New York. Sondra specializes in the treatment and training of the collaborative approach to eating disorders. Author of the Comprehensive Learning/Teaching Handout Series for Eating Disorders on CD and contributing author to Eating Disorders . Clinical Guide to Counseling and Treatment. Sondra received the IAEDP 2010 Certified Eating Disorder Specialists Award, she was the first nutritionist awarded the CEDRD certification by IAEDP, the NEDA 2004 Excellence in Treatment Award and the 2002 SCAN Excellence in Practice Award. Sondra has served on several boards, received numerous awards, produced a training CD and created several graduate level eating disorder courses. She appears regularly on television and print media as a spokesperson and strong public advocate for the prevention and treatment of eating disorders. National workshop leader/speaker and media spokesperson. She is a committee member of the Monte Nido Advisory Board.
